CONDITIONS OF SALE

All bids to be PER LOT as numbered in the Catalogue.

The highest bidder to be the buyer. In all cases of disputed bids the lot shall be resold, but the Auctioneer will use his judgment as to the good faith of all claims and his decision shall be final.

Buyers to give their names and addresses and to make such cash payments on account as may be required, in default of which the lots purchased to be immediately resold.

Goods bought to be removed at the close of each sale. If not so removed they will be at the sole risk of the purchaser, and subject to storage charges, and The Anderson Galleries, Incorporated, will not be responsible if such goods are lost, stolen, damaged or destroyed.

TERMS CASH. If accounts are not paid at the conclusion of each sale, or, in the case of absent buyers, when bills are rendered, this Company reserves the right to recatalogue the goods for immediate sale without notice to the defaulting buyer, and all costs of such resale will be charged to the defaulter. This condition is without prejudice to the rights of the Company to enforce the sale contract and collect the amount due without such resale at its own option. Unsettled accounts are subject to interest at the rate of six per cent. per annum.

All books are sold as catalogued, and are assumed to be in good SECOND-HAND condition. If material defects are found, not mentioned in the catalogue, the lot may be returned. Notice of such defects must be given promptly and the goods returned within ten days from the date of the sale. No exceptions will be made to this rule. Magazines and other periodicals, and all miscellaneous books arranged in parcels, are sold as they are, without recourse.

Autograph Letters, Documents, Manuscripts and Bindings are sold as they are, without recourse. The utmost care is taken to authenticate and correctly describe items of this character, but this Company will not be responsible for errors, omissions, or defects of any kind.

THE BIBLIOGRAPHER

The Rarest California Book

In the American Library of the late William H. Winters, for many years, up to the time of his death, librarian of the New York Law Institute, which is to be sold at the Anderson Galleries on March 8 and 9, a little book was discovered which has the distinction of being the rarest California item in the world; the first book printed in San Francisco, and the first and only copy ever to have appeared in the auction room, or even to have been seen by noted bibliographers and collectors. It is "Laws for the Better Government of California, the Preservation of Order, and the Protection of the Rights of the Inhabitants, during the Military Occupation of the Country by the Forces of the United States. By Authority of R. B. Mason, Colonel First Drago. and Governor. Printed in San Francisco, at the press of S. Brannan, 1848."

When the library of Mr. Winters was consigned to the Anderson Galleries for sale, it was believed that there would be many interesting volumes for the collector and libraries found in it, but such a prize as this little volume of "Laws" was unthought of. With the customary examination by the cataloguing department of even the most unpromising bundles of pamphlets, clippings, etc., early in the work this little book was unearthed, loosely laid in with a mass of excerpts from magazines—a gem among papers of no commercial value. Immediately it was known that here was a "find" of the most interesting character, the value of which loomed large both historically and commercially. As the research work in connection with the cataloguing of this precious piece progressed it became apparent that this was in all probability the only copy known to date, as Hubert H. Bancroft, the exhaustive writer on the West, had never seen a copy, and only refers to it, having seen a notice of it in *The Californian* for Sept. 2, 1848. The latest bibliography of California imprints, by Wagner, does not record it, a mention of such a work being the only intimation that the book existed. Further it was discovered that the copy was originally owned by Captain Folsom, he who first announced to the Government the discovery of gold in California, and on the margin of the title-page he has written "Act published in consequence of the news of Peace. J. L. Folsom."
